Colin Stewart of Air Europa on last years event - “*Air Europa were very proud to be a part of the inaugural Experience Latin America launch party as sponsors, welcoming over 200 key Latin American travel professionals to London. I was thrilled with the event and felt completely justified in the investment. What impressed me most about the event was the calibre of individuals and wide range of attendees both UK and Latin America based. The team at ELA should be very proud of what they accomplished and I am already looking forward to 2015!*”
