THE MATCHMAKING PROCESS EXPLAINED

THE MATCHMAKING PROCESS EXPLAINED

The system will produce bespoke schedules for all delegates based on the seminars selected and our matchmaking criteria.

ELA's matchmaking criteria works as follows:

- 1. Meetings of Mutual selection** will be scheduled automatically (When buyers and suppliers select each other an appointment will be scheduled).
- 2. Buyers Interest** (if a buyer is interested in meeting a supplier an appointment will be scheduled).

- 3. Same interest selection** (if buyers and suppliers have selected matching interest an appointment will be scheduled).

Note: Buyers are obliged to attend all pre-scheduled appointments.

Matchmaking first choice request cannot always be guaranteed as they are dependant on suppliers availability. Free slots are kept so buyers can directly request those appointments to the suppliers.
